

CHHATRAPATI SHIVAJI MAHARAJ INSTITUTE OF TECHNOLOGY

ANNUAL REPORT

2022-23

A word from our chairman **Sh. Suresh Kumar Gupta**

Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage, and reliability in students. Academic excellence and active participation in co-curricular activities complete the process of education. It gives me immense pleasure that the college is progressing in all its endeavors toward the overall development of the students. The college has marched forward to spread the light of education and pave the path of excellence for every student. It is heartening to see the achievements of the students and the College's progress throughout the year. I hope the college graduates will become leaders in their chosen fields and contribute positively towards the progress of our nation and of humanity at large. May the beacon of truth and knowledge show us the right path.

VISION

We wish to be known as, professional, developing self-aware, socially responsible, and ethical engineers, to shape a better future for mankind.

MISSION

To develop professional engineers with respect for the environment, and make them responsible citizens in technical development both from an Indian and global perspective, and this objective is fulfilled through quality education, practical training, and interaction with industries and social organizations.

MESSAGE FROM HON. SECRETARY

I congratulate the entire CSMIT team for taking efforts in releasing the Annual Report. St. Wilfred's Education Society is the pioneer of the modern educational system across India with a legacy of over 22 years since our establishment in June 2000. St. Wilfred's group of colleges are in Jaipur, Ajmer, and Mumbai. CSMIT is in Panvel, Navi Mumbai. Our main objective is to guide our students and to grow his/her career to its pinnacle.

National Unity Day is celebrated in India on 31ST October. It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel who had a major role in the political integration of India.

Birsa Munda (15 November 1875 – 9 June 1900) was an Indian tribal freedom fighter, and folk hero who belonged to the Munda tribe. On 15th November, CSMIT has organized a special program on 15/11/22 in presence of Mr. Sudam Raju Pawar who is currently working as SahSanyojak for JANJATI SURAKSHA MANCH, Kokan area

Awareness rally for **Har Ghar Tiranga** was conducted on 12th August 2022, Friday. The students, teachers and general public join the foot March taken out for public awareness.

On 21st September 2022, Chhatrapati Shivaji Maharaj Institute of Technology, Panvel, arranged tree plantation drive. All the faculties and students were involved in this event in order to sensitize students towards the need to preserve our environment and ecology

ANNUAL REPORT 2022 - INTERNATIONAL CONFERENCES

Clarivate Analytics **Scopus**

CALL FOR PAPERS
1st International Conference on
Advances in Materials Science and Engineering (ICAMSE-2022)
February 26-27, 2022
www.icamse.org.in
Department of Mechanical Engineering,
Chhatrapati Shivaji Maharaj Institute of Technology, Navi Mumbai-410206, India

TOPICS OF INTEREST

IOP Publishing

1st International Conference on Advances in Materials Science and Engineering (ICAMSE-2022) is being organized during February 26-27, 2022 by Department of Mechanical Engineering at CSM Institute of Technology, Navi Mumbai-410206, India. The ICAMSE-2022 invites high quality research papers in the areas of Materials Science and Mechanical Engineering. The primary goal of the conference is to change the ideas in the existing areas, encourage academic and industry interaction to promote collaborative research activities involving scientists, engineers, professionals, researchers and students.

All the paper submitted in the conference will be published* in IOP Conference Series: Material Science and Engineering, Web of Science (WoS) Indexed, subjected to the peer review and recommendation of reviewers.

*Selected peer reviewed papers will be recommended for publication in **Advances in Materials and Processing Technologies**, Taylor & Francis, Scopus and ESCI Indexed.

Note: As per NERF Guidelines, papers published in WoS and Scopus Series' Journals will be counted for NIRF Ranking.

*Registration and Paper presentation are essential for publication.

The mode of the presentation will be online as well as offline.

Paper submission Link: <https://www.iop.org/conferences/2022/icamse2022>

IMPORTANT DATES

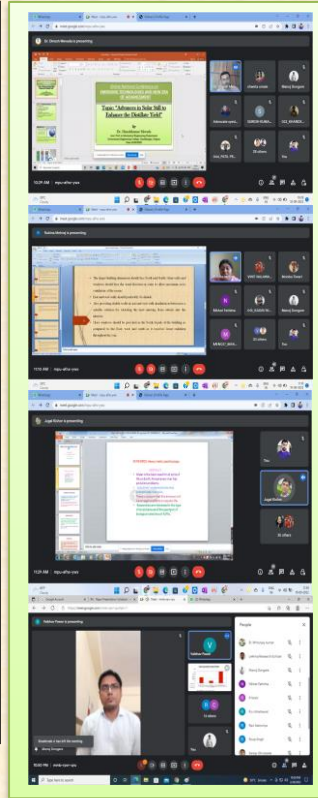

Early Bird	31.12.2021	Regular Round	31.12.2021
Last Date of Submission	10.01.2022	Review/ Comment to Authors	10.02.2022
Revised Manuscript to be Submitted by	20.01.2022	Final Manuscript to be Submitted by	20.02.2022
Registration Due	20.01.2022	Regular Round	20.02.2022

REGISTRATION DETAILS

Category	Early Bird	Regular Round
Indian (INR)	8500	9500
Foreign (USD)	350	350
Student	8500	9500
Academician/Industry/R&D	9000	10000

Online Conference On MODERN TRENDS IN SCIENCE AND TECHNOLOGY

Key Note Speakers

Dr. Keshav Badaya
Honorable secretary
St. Wilfred's Education Society

Dr. Dharmendra Dubey
Principal, CSMIT, Panvel

ABOUT THE INSTITUTE:
Chhatrapati Shivaji Maharaj Institute of Technology, a premier Institute in Mumbai is firmly rooted and has been veridically bloomed. It adopts an interactive approach in teaching which enhances creative thinking analytical findings and effective communication skills.

VISION:
St. Wilfred's is a conscious and thoughtful response to a critical need for excellent and relevant education in a traditional, innovative and creative frame work.

MISSION:
To cater to multiple abilities & intelligence present in learners for realization of their true potential and individual needs of development. To instill among the students a sense of responsibility to participate in community duties and serve towards common welfare. To nurture overall development of the students through enrichment and quality education. To promote involvement of students with community outside the college and other social concerns through community service program.

ABOUT THE PROGRAMME:
The current era of digital revolution along with advancements in technology integration has brought several industries closer together, pushing their time-dependence forward to create a symbiotic relationship within various sectors. Revolutionary industry changes along with the ever-rising demand in available opportunities during this period have caused major impacts on graduates worldwide. This conference emphasizes the recent trends in science and technology. It will bring out awareness among participants on current trends and their applications in industry and research areas. Innovation has the capability of saving the world without stopping So, we must take advantage of this conference for creating a better world.

Inviting papers on following topic & related to Conference are welcome

- Interconnected Machines
- Internet of Things
- NDT
- Industry 4.0
- Digital Manufacturing
- Bio-Medical Engineering
- Green Manufacturing
- Nano-Technology
- Alternative Energy (Solar energy & Other Renewable energies)
- Mechatronics
- Robotics
- Artificial Intelligence & Machine Learning etc.

WASTE MANAGEMENT

ABOUT THE INSTITUTE:
Chhatrapati Shivaji Maharaj Institute of Technology, a premier Institute in Mumbai is firmly rooted and has been veridically bloomed. It adopts an interactive approach in teaching which enhances creative thinking analytical findings and effective communication skills.

VISION:
St. Wilfred's is a conscious and thoughtful response to a critical need for excellent and relevant education in a traditional, innovative and creative frame work. We take pride in being a cohesive group who shares the fundamental aims where the staff specializes in excellence and high standards of achievement.

MISSION:
To cater to multiple abilities & intelligence present in learners for realization of their true potential and individual needs of development. To instill among the students a sense of responsibility to participate in community duties and serve towards common welfare. To nurture overall development of the students through enrichment and quality education. To promote involvement of students with community outside the college and other social concerns through community service program.

ABOUT THE PROGRAMME:
Rapid urbanization and improved socio-economic status from past few decades have resulted in higher waste generation. The problem becomes more acute when the generated waste is not disposed/ handled properly. Waste management is very crucial for the economic development of a country. So, the basic and state size of waste management is to promote economic growth and prevention of the environment. Moreover, it is very necessary to reduce the usage of resources and reuse the waste to prevent the quality of life for the future generations.

Inviting papers on following topic

- Domestic/Industrial Wastewater Treatment
- Operational Management
- Solid & Hazardous Waste Management
- Municipal/Plastic/Risk/Industrial/Construction Demolition Waste
- Leachate Treatment
- Pharmaceutical Industrial Waste
- Industrial Management
- Pharmaceuticals
- Agricultural Waste Management

The topics include but not restricted to above mentioned topics.
