

CHHATRAPATI SHIVAJI MAHARAJ INSTITUTE OF TECHNOLOGY

ANNUAL REPORT

2022-23

A word from our chairman **Sh. Suresh Kumar Gupta**

Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage, and reliability in students. Academic excellence and active participation in co-curricular activities complete the process of education. It gives me immense pleasure that the college is progressing in all its endeavors toward the overall development of the students. The college has marched forward to spread the light of education and pave the path of excellence for every student. It is heartening to see the achievements of the students and the College's progress throughout the year. I hope the college graduates will become leaders in their chosen fields and contribute positively towards the progress of our nation and of humanity at large. May the beacon of truth and knowledge show us the right path.

VISION

We wish to be known as, professional, developing self-aware, socially responsible, and ethical engineers, to shape a better future for mankind.

MISSION

To develop professional engineers with respect for the environment, and make them responsible citizens in technical development both from an Indian and global perspective, and this objective is fulfilled through quality education, practical training, and interaction with industries and social organizations.

MESSAGE FROM HON. SECRETARY

I congratulate the entire CSMIT team for taking efforts in releasing the Annual Report. St. Wilfred's Education Society is the pioneer of the modern educational system across India with a legacy of over 22 years since our establishment in June 2000. St. Wilfred's group of colleges are in Jaipur, Ajmer, and Mumbai. CSMIT is in Panvel, Navi Mumbai. Our main objective is to guide our students and to grow his/her career to its pinnacle.

National Unity Day is celebrated in India on 31ST October. It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel who had a major role in the political integration of India.

Birsa Munda (15 November 1875 – 9 June 1900) was an Indian tribal freedom fighter, and folk hero who belonged to the Munda tribe. On 15th November, CSMIT has organized a special program on 15/11/22 in presence of Mr. Sudam Raju Pawar who is currently working as SahSanyojak for JANJATI SURAKSHA MANCH, Kokan area

Awareness rally for **Har Ghar Tiranga** was conducted on 12th August 2022, Friday. The students, teachers and general public join the foot March taken out for public awareness.

On 21st September 2022, Chhatrapati Shivaji Maharaj Institute of Technology, Panvel, arranged tree plantation drive. All the faculties and students were involved in this event in order to sensitize students towards the need to preserve our environment and ecology

- Date: 20th January 2022
- Topic: FUTURE SCOPE AND CAREER OPPORTUNITIES IN MECHANICAL INDUSTRY
- Resource Person:
MR. NIKESH DESAI, Quality Manager, Jacobs Engineering
MR. ATISH D. RANE, Aerospace Industry
PROF. PRATHAMESH SAWANT, Piping Industry, Patvin Engineering
- Participants: Approx 30

CHHATRAPATI SHIVAJI MAHARAJ INSTITUTE OF TECHNOLOGY

1st International Conference on Advances in Materials Science and Engineering (ICAMSE-2022)
 February 26-27, 2022
www.icamse.co.in
 Department of Mechanical Engineering,
 Chhatrapati Shivaji Maharaj Institute of Technology, Navi Mumbai-411026, India

TOPICS OF INTEREST
 Materials Science
 Polymer Science and Engineering
 Nanotechnology
 Composites and Nanocomposites
 Surface Science and Engineering
 Materials Science and Engineering
 Mechanical Engineering
 Materials Characterization and Testing
 Materials Processing and Manufacturing
 Materials Failure and Fracture
 Materials Reliability and Durability
 Materials Recycling and Sustainability
 Materials for Energy and Environment
 Materials for Biomedical Applications
 Materials for Space and Aeronautics
 Materials for Defense and Security
 Materials for Transportation
 Materials for Information Technology
 Materials for Agriculture and Food Processing
 Materials for Environmental Remediation
 Materials for Cultural Heritage Conservation

IOP Publishing
 1st International Conference on Advances in Materials Science and Engineering (ICAMSE-2022) is being organized during February 26-27, 2022 by Department of Mechanical Engineering at CSJM Institute of Technology, Navi Mumbai-411026, India. The ICAMSE-2022 invites high quality research papers in the areas of Materials Science and Mechanical Engineering. The primary goal of the conference is to change the status in the existing scene, encourage students and industry interaction to promote collaborative research activities involving scientists, engineers, professionals, researchers and students.

All the papers submitted to the conference will be published in IOP Conference Series: Materials Science and Engineering, Web of Science (WoS) Indexed, subject to the peer review and recommendations of reviewers.
 Selected peer reviewed papers will be recommended for publication in Advances in Materials and Processing Technologies, Letters & Fracture, Scripta and ES&I Indexed.

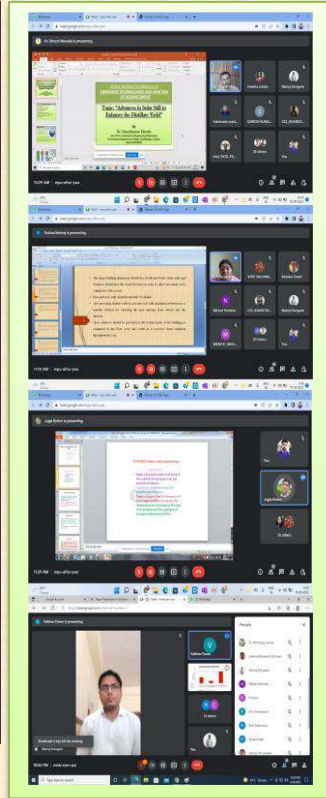

IMPORTANT DATES

	Early Bird	Regular Round
Last Date of Submission	31.01.2022	31.01.2022
Reviewers Comments to Authors	10.02.2022	10.02.2022
Revised Manuscript to be Submitted by	20.02.2022	20.02.2022
Registration Due	20.02.2022	20.02.2022

REGISTRATION DETAILS

Category	Early Bird (INR)	Regular Round (INR)
Student	8500	8500
Academics/Industry/R&D	9000	10000

CHHATRAPATI SHIVAJI MAHARAJ INSTITUTE OF TECHNOLOGY, PANVEL
 Department of Mechanical Engineering
On 13-08-2022 Organizing
Online Conference On MODERN TRENDS IN SCIENCE AND TECHNOLOGY

Key Note Speakers

Dr. Keshav Badayya
 Honorable Secretary, St. Wilfred's Education Society

Dr. Dharmendra Dubey
 Principal, CSJMIT, Panvel

ABOUT THE INSTITUTE:
 Chhatrapati Shivaji Maharaj Institute of Technology, a premier Institute in Mumbai is firmly rooted and has been widely known to all as an innovative approach in teaching which enhances creative thinking, analytical ability and effective communication skills.

VISION:
 St. Wilfred's is a conscious and thoughtful response to a critical need for excellent and relevant education in a traditional, innovative and creative manner.

MISSION:
 To use to multiple abilities & intelligence present in humans for the realization of their true potential and individual needs of development. To instill among the students a sense of responsibility to participate in identifying, defining and solving societal common welfare. To ensure overall development of the students through academic and quality education. To promote involvement of students with community through the college and other social causes through community service program.

ABOUT THE PROGRAMME:
 The current era of digital revolution along with advancement in technology integration has brought several industries close together, pushing their inter-dependence forward to create a symbiotic relationship within various sectors. Revolutionary industry changes along with the newer factors in available opportunities during this period have created major impacts on economic worldwide. The conference emphasizes the most trends in science and technology in will bring about awareness among participants on current trends and their applications in industry and research areas. Knowledge has the capability of setting the world without stopping So, we must take advantage of this conference for creating a better world.

Inviting papers on following topics & related Conferences are as follows:

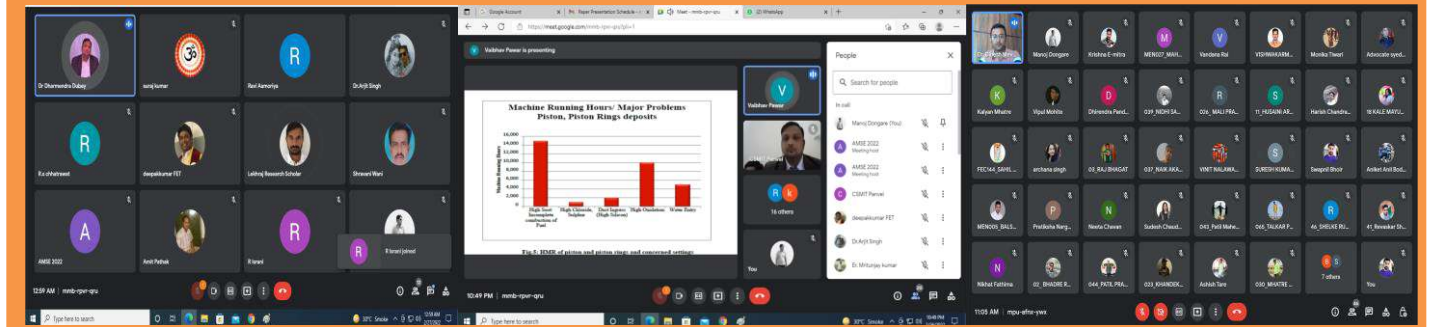

- Interconnected Machines
- Industry 4.0
- Digital Manufacturing
- The Modern Engineering
- Green Manufacturing
- Waste-Technology
- Alternative Energy (Solar energy & Other Renewable sources)
- Mechatronics
- Robotics
- Artificial Intelligence & Machine Learning etc.

REGISTRATION PROCEDURE
 The registration fee for students is INR.100
 The registration fee for faculty/research scholars is INR.200
 To register follow the below link:
<https://forms.gle/3XvCvS3STmY68hU76>

Note - Link of the sessions will be provided one hour prior to the session.

To instill among the students a sense of responsibility to participate in identifying, defining and solving societal common welfare. To ensure overall development of the students through academic and quality education. To promote involvement of students with community through the college and other social causes through community service program.

ABOUT THE PROGRAMME:
 Rapid urbanization and improved socio-economic status from past few decades have resulted in higher waste generation. The problem becomes more acute when the generated waste is not disposed/landfilled properly.
 It is waste management is very crucial for the economic development of a country. So, the basic and main aim of waste management is to promote economic growth and protection of the environment.
 Moreover, it is very necessary to reduce the usage of resources and reuse that waste to protect the quality of life for the future generations.

Inviting papers on following topic:

- Domestic/Industrial Wastewater Treatment
- Organizational Management
- Coiled & Hazardous Waste Management
- Managed/Plastic/Hazardous/Construction/Disposal Waste
- Energy Management
- Localised Treatment
- Thermal Management of Industrial Waste
- Industrial Management
- Artificial Intelligence
- Agricultural Waste Management

The topics include, but not limited to above mentioned topics.

ANNUAL REPORT

2021-22

A word from our chairman **Sh. Suresh Kumar Gupta**

Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage, and reliability in students. Academic excellence and active participation in co-curricular activities complete the process of education. It gives me immense pleasure that the college is progressing in all its endeavors toward the overall development of the students. The college has marched forward to spread the light of education and pave the path of excellence for every student. It is heartening to see the achievements of the students and the College's progress throughout the year. I hope the college graduates will become leaders in their chosen fields and contribute positively towards the progress of our nation and of humanity at large. May the beacon of truth and knowledge show us the right path.

VISION

We wish to be known as, professional, developing self-aware, socially responsible, and ethical engineers, to shape a better future for mankind.

MISSION

To develop professional engineers with respect for the environment, and make them responsible citizens in technical development both from an Indian and global perspective, and this objective is fulfilled through quality education, practical training, and interaction with industries and social organizations.

Dr. Keshav Badaya

I congratulate the entire CSMIT team for taking efforts in releasing the Annual Report. St. Wilfred's Education Society is the pioneer of the modern educational system across India with a legacy of over 19 years since our establishment in June 2000. St. Wilfred's group of colleges are located in Jaipur, Ajmer and Mumbai. CSMIT is located in Panvel, Navi Mumbai. Our main objective is to guide our students and to grow his/her career to its pinnacle in diversified fields of Engineering & Technology.

National Constitution Day

On 26 November 2021 National Constitution day was celebrated at CSMIT, Panvel. All staff taken oath to follow & respect our constitution.

Vaccination Drive

As per the guideline from AICTE and Government of Maharashtra, CSMIT have organized the Vaccination drive for COVID-19 Disease on the date 27th November 2021. Chhatrapati Shivaji Maharaj Hospital have provided the platform for vaccination. The Event was Coordinated by Mr. Nutan Kale and Mr. Mahesh Thakur.

Rani Laxmi Bai Jayanti

The birth anniversary of Rani Lakshmi Bai is celebrated as Martyr's Day in Jhansi to honour the lives lost in the Rebellion of 1857. CSMIT have organized the Easy Writing competition on the topic India's First war of Independence & Queen of Jhansi, Rani Laxmi Bai. The event was organized as the pride moment as we are celebrating the "Azadi ka Amrit Mahotsav". The students have participated actively in Essay Writing competition.

“Science is about knowing,
engineering is about doing”

Civil Engineering | Computer Engineering | Mechanical Engineering
