### A Report on: Seminar on Flutter

**NAME OF ACTIVITY:** Seminar on Flutter

**DATE & DURATION:** February 23, 2023, 2:00 PM

**TYPE OF ACTIVITY:** CESA Session

**ORGANIZER(S):** Department of Computer Engineering, Chhatrapati Shivaji Maharaj Institute of technology, Panvel.

#### **EXPECTED OUTCOMES:**

**CO1:** Recognition and Motivation: The appreciation ceremony aimed to recognize and motivate hardworking students who contributed to various activities throughout the academic year. This recognition serves as an encouragement for continued dedication and active participation.

**CO2:** Entrepreneurship and Learning: The seminar by Mr. Aditya Sutar provided valuable insights into entrepreneurship and his journey as a design head at a startup by Google. It offered students an opportunity to learn from a successful entrepreneur and gain knowledge about the startup ecosystem.

**CO3:** Interactive Learning: The session's interactivity allowed students to engage with new concepts and ask questions. This interactive learning environment encouraged curiosity and facilitated a deeper understanding of the subject matter.

**CO4:** Emphasis on Practical Skills: The event underscored the importance of practical skills and exposure to new technologies beyond the academic syllabus. Students gained a valuable perspective on the relevance of real-world skills in the professional world.

## FLYER / POSTER:

**ABSTRACT OF THE SESSION:** Department of Computer Engineering, CSMIT organized a Seminar on February 23, 2023 for all Computer department students. Prof. Anup Maurya, Head, Department of Computer Engineering, Chhatrapati Shivaji Maharaj Institute of Technology, Panvel welcomed all the students in the seminar.

The primary objective of the seminar by Mr. Aditya Sutar was to inspire and educate students about entrepreneurship, innovation, and the practical aspects of working in the startup ecosystem. It aimed to encourage students to explore new technologies and develop a broader perspective on the skills and knowledge required for success in the commercial world. An event contains the following:

- The CESA team organized an Appreciation Ceremony and Seminar on February 23rd. The event served to honour hardworking students and featured a seminar by Aditya Sutar, a successful entrepreneur and design head at a Google-affiliated start-up called Flutter.
- The event began with the recognition of students who actively contributed to various academic and extracurricular activities throughout the year. Each student was presented with a token of appreciation as a gesture of gratitude for their dedication and support.
- Aditya Sutar shared his entrepreneurial journey and experiences, highlighting the transition from a non-technical background to becoming a design head at a prominent start-up. The seminar provided valuable insights into entrepreneurship and start-up growth, inspiring students to explore innovative ideas.
- The seminar encouraged interactive learning as students engaged in discussions and posed questions. Aditya Sutar addressed queries and introduced students to new concepts, emphasizing the importance of staying updated with evolving technologies.
- The event emphasized that success in the professional world requires not only academic knowledge but also practical skills and exposure to emerging technologies. It encouraged students to broaden their horizons and adapt to the ever-changing commercial landscape.
