About the college

Chhatrapati Shivaji Maharaj Institute of Technology (CSMIT) in the year 2014. CSMIT is located at Panvel on a table top surrounded by hills and blessed with serene, outstanding scenery. CSMIT is approved by A.I.C.T.E. New Delhi recognized by D.T.E and Affiliated to University of Mumbai (For Degree), The CSMIT offers degree in Civil Engineering, Mechanical Engineering, Computer Engineering. The college is well connected by rail and road from Navi Mumbai. The nearest railway station is Panvel on Harbour railway. College is well-connected by road from Panvel, Khopoli and Karjat.

In order to support students to acquire academic progression and to ensure and sustain quality education, the College offers subject related add-on courses as well as value-added courses imparting transferable and life skills to all its students. The academic content of class room teaching is of high quality, vibrant and strong. The Choice Based Credit System of Mumbai University enables our teachers to introduce innovative forms of assessment to students and thereby bring out their innate abilities. The modernized infrastructure facilities in the campus coupled with better knowledge resources for academic support enables the teachers to teach at their best and students to learn at their utmost. The College has one unit of N.S.S. under which a number of social outreach activities are conducted every year. The placement cell assists our students in getting placed at several prominent organizations.

An Introduction to Perspective Plan

Considering the need for serious policy reforms and adequate resources and good governance, the House Council of the college which is the Governing Body decided to chalk out a realistic strategy to transform the College into a truly excellent place of teaching/ learning for all the stakeholders. IQAC Director briefed the House Council of the College, the role of a long-term strategic plan to place the college on a sustained growth path in October 2022. Considering the vitality of the plan, the apex body assigned the responsibility of drawing the same on IQAC. The IQAC members initiated the planning process and duly giving importance to participatory decision-making process, placed the draft plan on the college website for a month period to elicit stakeholder's expectations on the long-term plan. The same has been placed before the College Development Council (the top Decision-making body of the College as per Maharashtra Public Universities Act 2017) for approval. The CDC praised the IQAC for its vision of drawing the same.
