No.: CSMIT/POLICY/JUL-2021/05

CLEAN AND GREEN CAMPUS POLICY

The Green Campus Policy of CSMIT visualises a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and eco friendly practices in the campus and beyond the campus. It also offers the institution an opportunity to take the lead in redefining its environmental culture through inculcating environmental ethics among the students and staff.

Mission :

To encourage the practice of resource maintenance at CSMIT and within the campus community that thereby promotes the campus' positive impact on the local and global environment.

Objectives of the Clean and Green Campus Policy :

1. To create awareness regarding environmental policy amongst students, faculty, staff, and management.
2. To maintain an environmental pollution-free campus, entry & parking of vehicles is restricted in the campus.
3. To sensitise the students and staff regarding the use of drinking water properly for which, we have provided purified drinking water facilities in the campus.
4. To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
5. To use the solid waste through vermin-compost on the campus and use it as a fertilizer.
6. To use 'Use Me' Dry and Wet dustbins in the college campus to keep the college campus clean.
7. To maintain a green campus, 'Green Audit' is done regularly.
