FLYER / POSTER:-

ABSTRACT OF THE SESSION: Department of Computer Engineering, CSMIT organized an event on 01 Oct 2020 for all Computer department students. Prof. Jyoti Bavaskar, Head, Department of Computer Engineering, Chhatrapati Shivaji Maharaj Institute of Technology, Panvel welcomed all the students in the event.

The primary objective of the Profile Building Event was to educate students on creating and optimizing professional profiles on platforms like LinkedIn enhancing their online presence and career prospects.

An event contains the following:

- Organized by student committee and led by Aman Pinjar, the event focused on educating and guiding students in building professional profiles on Naukri.com.google.
- The event began promptly with active student participation, eager to enhance their online professional presence.
- A workshop facilitated the creation of individual profiles on LinkedIn and GitHub, guided by experienced technical team members.
- Aman Pinjar, an expert in the field, shared valuable insights into profile building, emphasizing optimization for attracting potential employers and collaborators.
- The event enhanced online presence for students. Practical knowledge and skills in profile creation and optimization. Valuable insights into the importance of professional profiles. Empowerment to navigate the professional world effectively.

The event concluded with a photo session to capture memorable moments.

GLIMBES:-

A Report on: Profile Building

NAME OF ACTIVITY: Profile Building

DATE & TIME:- 01 Oct, 2020, 10 :30 A.M .

ORGANIZER(S): Department of Computer Engineering, Chhatrapati Shivaji Maharaj Institute of technology, Panvel.

EXPECTED OUTCOMES:

CO1: Enhanced Online Presence: The event aimed to educate students on the importance of creating and optimizing profiles on professional platforms like GOOGLE, NAUKRI.COM empowering them to establish a strong online presence.

CO2: Practical Knowledge: Through hands-on profile creation with guidance from experienced technical team members, students gained practical knowledge and skills related to building and maintaining professional profiles.

CO3: Insightful Guidance: Aman Pinjar, an expert in the field, provided valuable insights into profile building, optimizing profiles to attract potential employers and collaborators, and navigating the professional world effectively.

CO4: Empowerment: The event empowered students with the tools and knowledge needed to present themselves professionally online, enhancing their career prospects and opportunities for collaboration.

CO5: Memorable Experience: The photo session at the end of the event created memorable moments, fostering a sense of camaraderie and achievement among participants.
