MOTIVE : ALTERNATE SOURCES OF ENERGY AND CONSERVATION MEASURES

NAME OF ACTIVITY : NATIONAL CONFERENCE ON GREEN TECHNOLOGY

ABOUT THE PROGRAM :

The Green Technology Conference was an annual event dedicated to promoting and advancing sustainable practices and innovations in various sectors. It brought together experts, researchers, policymakers, and industry leaders to discuss the latest developments in green technology. The conference was from **12-03-2020 to 14-03-2020** featured keynote speeches, panel discussions, and workshops covering topics such as renewable energy, eco-friendly transportation, waste management, and sustainable agriculture. Attendees have the opportunity to network, share ideas, and collaborate on projects that contribute to a greener future. The conference served as a platform for showcasing groundbreaking technologies and solutions that aim to mitigate climate change and protect the environment.

ABOUT THE INSTITUTE:

Chhatrapati Shivaji Maharaj Institute of Technology, a premier Institute in Mumbai is firmly rooted and has been verdantly bloomed. It adopts an interactive approach in teaching which enhances creative thinking analytical findings and effective communicative skills

VISION :

St. Wilfred's is a conscious and thoughtful response to a critical need for excellent and relevant education in a traditional, innovative and creative frame. We take pride in being a cohesive group who shares the fundamental aims where the staff specializes in excellence and high standards of achievements.

MISSION :

To cater to multiple abilities & intelligence present in learners for realization of their true potential and individual needs of developments.
To instil among the students a sense of responsibilities to participate in citizenship duties and strive towards common welfare.
To nurture overall development of the students through enrichment and quality education.
To promote involvement of students with community outside the college and other social concerns through community service program.

ABOUT THE PROGRAMME :

The current era of digital revolution along with advancements in technology integration has brought several industries closer together, pushing their inter-dependence forward to create a symbiotic relationship within various sectors. Revolutionary industry changes along with the severe decline in available opportunities during this period have caused major impacts on graduates worldwide. This conference emphasizes the recent trends in science and technology. It will bring about awareness among participants on current trends and their applications in industry and research area. Innovation has the capability of saving the world without stopping. So, we must take advantage of this conference for creating a better world.

MOTIVE : GREEN CAMPUS

NAME OF ACTIVITY : TREE PLANTATION

ABOUT THE PROGRAM :

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind the campaign for the “One-Student One-Tree programme” was initiated by the Chhatrapati Shivaji Maharaj Institute of Technology on **23rd August 2023 at 2:00 pm**. Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. On average, a single tree emits 260 pounds of oxygen annually. Similarly, a fully-grown tree is sufficient for 18 human beings in one acre of land in one year stressing the importance of tree plantation for mankind.

All the faculties and students were involved in this event. In order to sensitise students towards the need to preserve our environment and ecology, Tree plantation drive was organised by CSMIT. The main purpose of this event was to teach students how we can save our climate from pollution.
