Dear Sir,

Sub: Offer of Consultancy Work- Reg.

We are glad to notify that we are in the planning phase of expansion of our business and are considering board preparation from waste leafs and equipment development as our next endeavour.

In this regard, we felt a need of getting a feasibility study done by some experts. Based on the successful completion of our previous consultancy work offered to you, we are offering this work also to your institute. We need a **“Slab Test facilities”**. It is expected that you have faculty members who are working in the relevant area.

I hereby request you to kindly discuss the problem with your faculty members and if you are accepting the offer please revert to us with the estimated budget and time frame required to complete the above mentioned work.

Thanking You,

Regards

For, BuildTech Construction Pvt. Ltd.
